

ADVANTAGE MOBILE GAS ENGINE OIL

Overview

ADVANTAGE MOBILE GAS ENGINE OIL is a specially devised, high-quality oil for utilization in mobile gas engine oil (GEO) applications. Formulated with dispersant detergency technology and higher levels of antiwear additives than conventional low-ash GEO's, ADVANTAGE MOBILE GAS ENGINE OIL is designed to meet the demanding wear protection requirements of gas-conversion engines.

Features and Benefits

ADVANTAGE MOBILE GAS ENGINE OIL provides outstanding oxidization, nitration, wear, and rust and corrosion protection. It provides superior protection under severe operating conditions while reducing sludge and deposits for long engine life and long service intervals.

Applications

ADVANTAGE MOBILE GAS ENGINE OIL is suitable for use in buses, transit fleets, trucks and other vehicles equipped with CNG or LPG engines.

Recommended For Applications

Cummins CES 20085 • Detroit Diesel PGOS 93K216 (Series 50G and 60G engines) • John Deere 6.8L and 8.1L CNG engines.

Typicals

PRODUCT CODE	439
SAE Grade	15W-40
Specific Gravity @ 60 F	0.875
Viscosity, cSt/40°C	114
Viscosity, cSt/100°C	15.2
Viscosity Index	137
Density, lbs/gal @ 60 F	7.29
Pour Point, °C	-36
Flash Point, COC °F	227
Color	7.5
Sulfated Ash, wt %	.76
TBN, ASTM D2896	6.0
Phosphorus, wt %	0.08
Zinc, wt %	0.08
SAE J300 Vis Grade	15W-40
Calcium, wt%	0.76
