ADVANTAGE MODCUT 4575L

OVERVIEW

ADVANTAGE CUT 4575 L is a superior quality cutting oil that is light in color, low in odor, and high in extreme pressure protection.

FEATURES & BENEFITS

ADVANTAGE CUT 4575 L is a worker-friendly fluid that does not contain any sulfur. Light in color, ADVANTAGE CUT 4575 L provides for excellent work piece visibility, while it's low-odor nature allows its use in many facilities and areas where poor ventilation can prohibit the use of some materials. The very low-odor EP system utilized in ADVANTAGE CUT 4575 L extends tool life while providing for wider workplace acceptance.

APPLICATIONS

ADVANTAGE CUT 4575 L is suited for multi-bar and single-bar spindle automatics, drilling, grinding, taping, threading, gear hobbing and broaching. ADVANTAGE CUT 4575 L machines all metals, ferrous, non-ferrous and aluminum with excellent EP properties, heat dissipation, and fluid clarity.
