

ADVANTAGE MULTI-GRADE GF-4 FULL SYNTHETIC PASSENGER CAR ENGINE OILS

ADVANTAGE FULL SYNTHETIC PASSENGER CAR ENGINE OILS are designed to meet the most demanding lubrication requirements of today's naturally aspirated, turbo-charged and super-charged gasoline fueled engines. These oils are formulated with group III synthetic base stocks to provide excellent oxidation stability, low temperature flow properties and enhanced fuel economy. The oils also meet the new lower volatility requirements of ILSAC GF-4 and improve engine cleanliness and reduce oil consumption.

TYPICAL PROPERTIES

PROPERTY	5W-20	5W-30	10W-30
Product Code	574	575	575
Viscosity, cSt @ 100 °C	8.45	10.30	10.50
Viscosity, CCS cP @ -30 °C	4600	4500	5700
Viscosity, cSt @ 40 °C	43.50	56.00	57.38
Viscosity Index	175	175	175
Pour Point, °C	-40	-38	-33
Zinc, Wt. (%)	0.085	0.085	0.085
Phosphorous, Wt. (%)	0.075	0.075	0.075
Calcium, Wt. (%)	0.200	0.200	0.200
NOACK, Wt. (%)	14.3	14.1	13.9
Density	7.09	7.10	7.13
PROPERTY	5W-20	5W-30	10W-30
