

## **ADVANTAGE CONCRETE FORM RELEASE OIL**

**ADVANTAGE CONCRETE FORM RELEASE OIL** is a premium quality lubricant formulated as a quick, non-staining releasing agent for metal and wooden forms. The fluid is specially compounded with a combination of spreading and releasing agents to prevent cement from adhering to form surfaces. This product meets federal guidelines for VOC compliance and can be applied using a brush, spray or roller application.

### ***FEATURES***

Easily Applied  
Low-Voc Content  
Ready To Use  
Provides Quick and Clean Form Release  
Low Odor, Light Color
