ADVANTAGE HIGH MILEAGE SQ/GF-7A ENGINE OILS

FEATURES

Specially formulated with both Synthetic and Group II base oils along with high-performance additive components for higher mileage vehicles.

Optimized for SQ/GF-7A Performance Standards while maintaining all the properties for backwards compatibility to all previous applicable API and ILSAC Performance Categories (where applicable)

Designed to inhibit incidents of LSPI (low-speed pre-ignition), a combustion event that can cause premature wear or catastrophic failure.

OEM SPECIFICATIONS

SAE 5W-20 - API SQ · GF-7A · CHRYSLER MS-6395 · FORD WSS-M2C970-A1
SAE 5W-30 - API SQ · GF-7A · CHRYSLER MS-6395 · FORD WSS-M2C971-A1
SAE 10W-30 - API SQ · GF-7A · CHRYSLER MS-6395

ENHANCED FUEL ECONOMY

IMPROVED WEAR PROTECTION

ENHANCED ENGINE DURABILITY
